As the school year comes to an end, please check your child's accounts and ensure that all outstanding debts are settled by half term. This will help you budget for the next half term and the summer break.

Please remember to keep your contact details up to date with the school office.

Magic Dave cycle lessons

If your child cannot ride a bike, please let us know if you would like him to help. There is no charge and no equipment is required as he is here to help.
